Dear Ehud
I did not realized until I looked at my calendar that our university had a prior-scheduled yearend evaluation meeting on Jan. 16 which I have to be in charge. I wonder if our meeting with Professor Goldwasser could possibly move to Monday, Jan. 19 or beyond. Sorry for the inconvenience caused by this short notice but I do look forward to welcoming you here in Shanghai soon.
All the best,
Mianheng Jiang

May I propose that the three of us have a teleconference later this week

and

summarize the overall approach to our cooperation.

It seems that together with Prof. Goldwasser we can visit Shanghai on

January 15-19. Please let me know whether these dates works for you.

Best
